Manual Equipment
Tomato Slicer - 6 mm with cutting block

601157 (CT6) Tomato slicer, complete, 6 mm thick

Short Form Specification

Item No.

Unit suitable to cut tomatoes into perfect slices (6 mm thick) keeping the original shape. It consists on a removable holder, cutting block and blades. The tomato is placed on the holder. The lever is quickly lowered without hesitation. The sliced tomato returns with the trolley and can be picked up still in its original shape. The holder can be removed and the entire machine can be cleaned under running water. Powerful suction cups ensure perfect stability on the worktop.
Supplied with 6mm cutting block and tomato guide.
