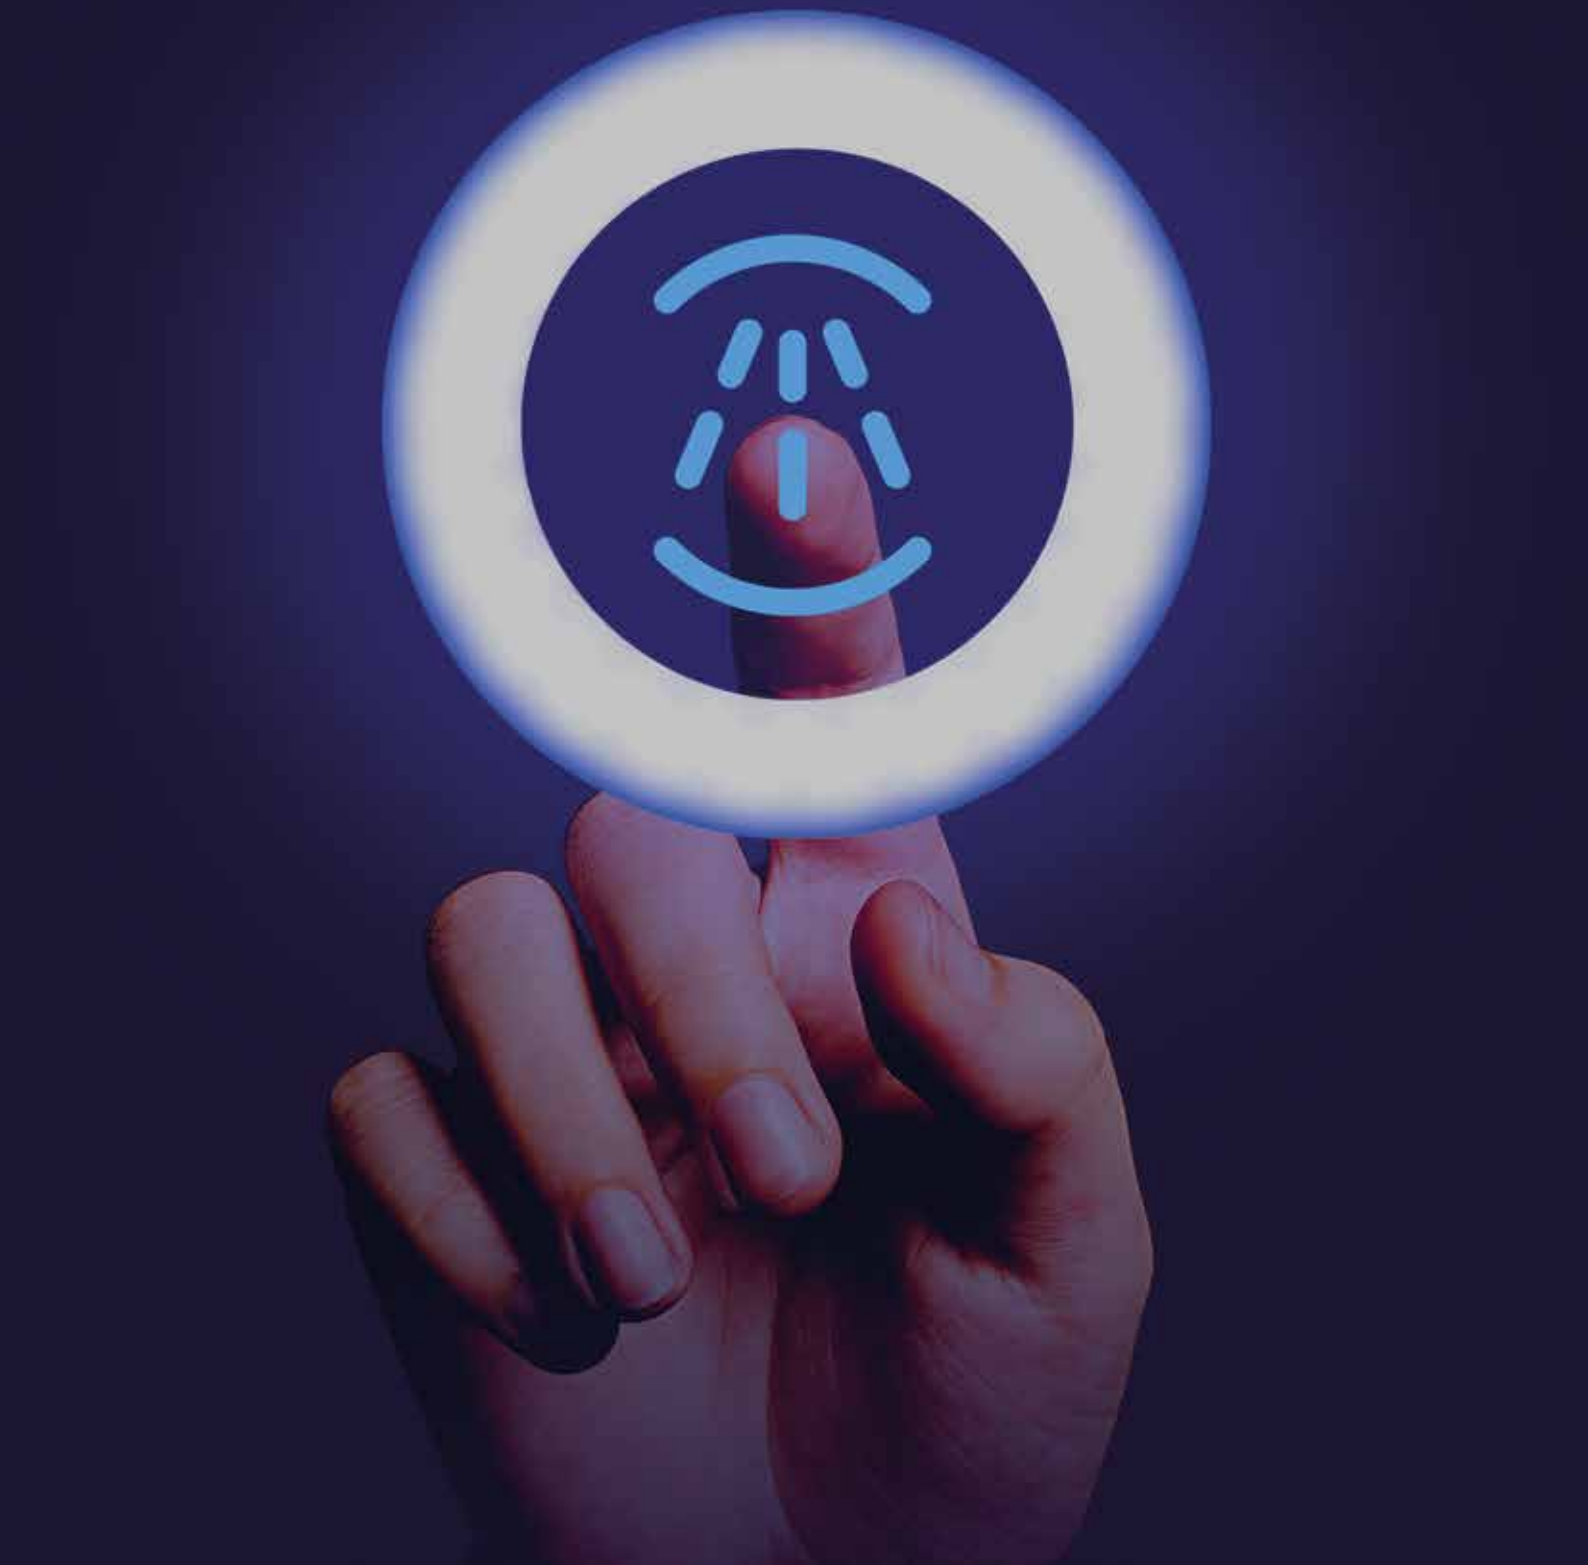
Electrolux PROFESSIONAL

Dishwashing

Spotless results and savings in one touch

NeoBlue Touch Undercounter Dishwasher and Glasswasher



You talk...

I need to wash crockery in the easiest and most reliable way, a solution without any complicated options to choose from.
I need good quality washing results, a solution with low running costs in energy, water and chemicals consumption.
I need a simple solution displaying the essential information in only one place and to reach easily the service in case of need.

...we listen

We have always considered customer insight first, introducing innovative technological solutions throughout the years. Our sustainable approach aims to develop efficient and low-consuming products, allowing you to optimize your work time, monitor your equipment consumption and save on costs.

Smart savings and ergonomics

Reduce your energy consumption up to 40% and water and chemical usage accordingly*. Ensure stress-free operation and cleaning.

Outstanding washing results

Achieve flawless results each time with 360° water spray coverage, right combination of detergents and accessories. Increase productivity thanks to a greater loading capacity.

Simplicity in one touch

Simplify your daily work experience seamlessly with the intuitive touch button, the color-coding and the OnE Connected App. Touch once, connect instantly.

*Measured according to EN 63136, comparing NeoBlue Touch undercounter dishwasher with MyEco cycle to the previous Electrolux Professional Undercounter range with 3lt water consumption/cycle.

A step into sustainability

At Electrolux Professional, we aim to create efficient and reliable solutions in order to guarantee our customers an extended lifespan of the product.

MyEco Cycle

MyEco cycle consumes up to 40% less energy at 260 Wh/rack and 30% less water with 2,1 consumption

Extra energy savings with default MyEco cycle up to 40%*

The MyEco cycle grants further savings in:

- energy consumption, using only 260Wh/rack**, saving more than 3 thousand kWh/year ***, equivalent to more than 145 thousand charged smartphones****
- water consumption 2,1 l/cycle**

* Measured according to EN 63136, comparing NeoBlue Touch undercounter dishwasher with MyEco cycle to the previous Electrolux Professional Undercounter range with 3lt water consumption/cycle.

** Measured according to EN 63136

*** Calculation by energy consumption during product usage (36 cycles/day*300 days/year)

**** Calculated by EPA (rif. 2024 US Environmental Protection Agency - https://www.epa.gov/)

ERGOCERT ERGONOMICS CERTIFIED ★★★★

4-star ergonomic design

- Simple operation through the user-friendly interface
- Ergonomic design ensures minimal stress on the user
- Soft opening for easy loading
- Color-coded components for trouble-free cleaning

Product lifecycle extension

- Easy maintenance from Service technician
- Dedicated diagnostic support and troubleshooting procedure easy to retrive via app
- Availability of spare parts for at least 10 years
- Easy service manual and training

Sustainably packaged

- 100% recyclable to ensure full circularity
- Packaging made from a mix of 70% recycled cardboard, and paper from FSC*
- Water-based ink

*Forest Stewardship Council which is the world's leading organization for sustainable forestry.

Designed for performance

NeoBlue Touch undercounter dishwasher offers spotless results time after time regardless of cycle selection. Improve your workflow with enhanced loading capacity.

High productivity

- **54%*** higher productivity to reduce labour cost
- Up to **65**** basket/hour (1170 dishes/hour)

* Comparison made between NeoBlue Touch undercounter dishwasher with Fast cycle and the previous Electrolux Professional Undercounter range with 3lt water consumption/cycle using Cycle 1.
** With Fast cycle, option available from the app.

Maximized loading space for superior customer experience

- Benefit from a market-best loading height of **~400 mm**, allowing for superior flexibility when loading crockery
- Easily fit beer glasses and wide pizza plates **up to Ø 360 mm**

Beyond Cups: Multi-Item Washing

From tall glasses and mugs to pizza plates and trays, NeoBlue Touch undercounter dishwasher is equipped to handle whatever you need washing.

GN 1/1 | max h. 325 mm | Ø 360 mm

Performance, innovation, and control

1 ▸ Flawless results

Achieve a 360° spray coverage, regardless of item placement, and ensure no corners are missed with 3x better coverage from the integrated washing arm.

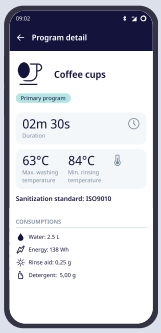
PATENT PENDING
(EP24177693.9)

2 ▸ Maintain peak performance

Enhanced filtration to reduce clogging and keep water clear, cycle after cycle with our innovative colour-coded filters.

3 ▸ Comprehensive control

Benefit from total control over hydraulics with our electronic system, offering high performance while reducing energy consumption.



SIMPLICITY IN ONE TOUCH

Want to keep track of your dishwasher consumption, and get access to vital insights helping streamline your business?

Download OnE Connected App.

GET IT ON Google Play Download on the App Store

Scan the QR code on the front of your undercounter.

OnE Connected App
