

# **EV0700&900 UNIQUE COOKING BLOCK**

**ZANUSSI**  
PROFESSIONAL

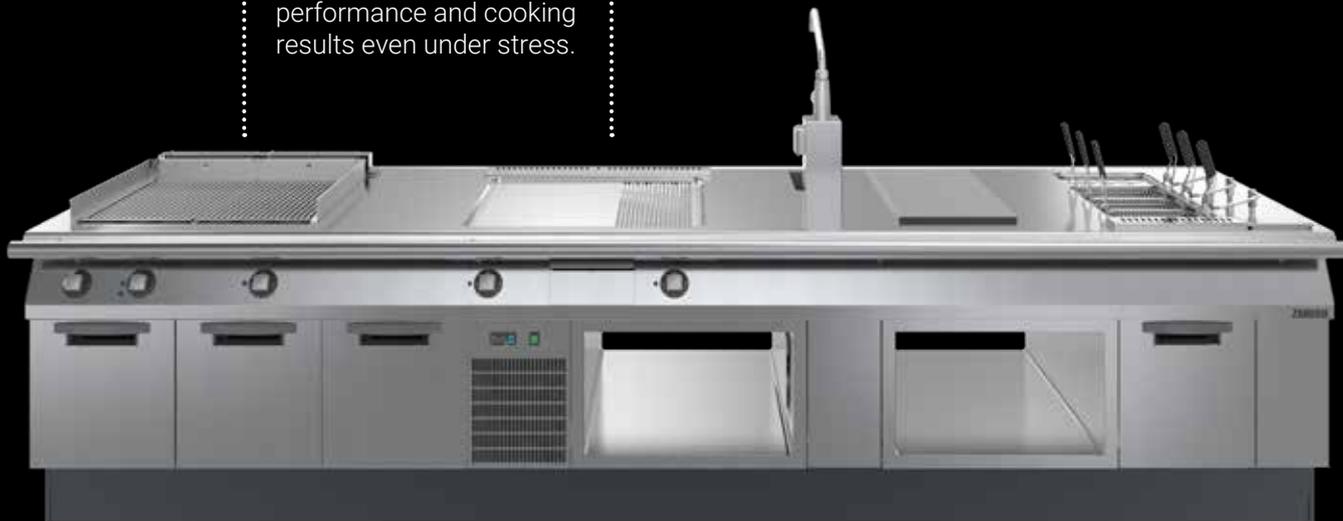

# STABLE & DURABLE

## ELECTRIC HP GRILL

High Performance Electric HP Grill. Perfect performance and cooking results even under stress.

## CHROME FRY TOP

Ideal for à la carte cooking of different kinds of food, meat, fish and vegetables with maximum efficiency and no flavour transfer.

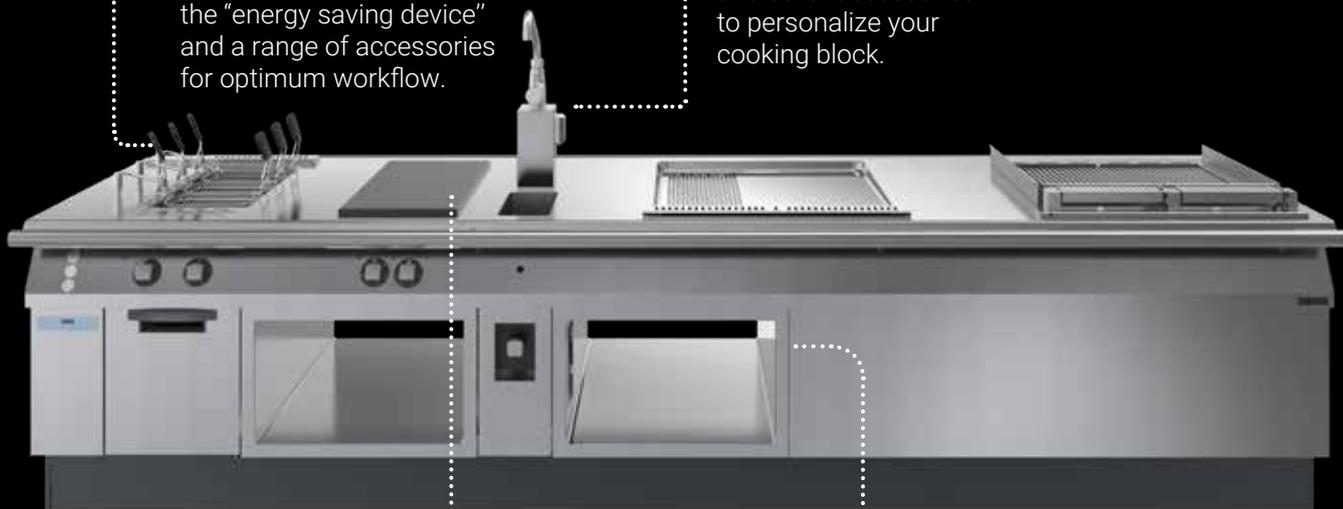

## PASTA COOKER

Versatile and high performing, thanks to the infrared heating system and the "energy saving device" and a range of accessories for optimum workflow.

## WATER COLUMN

Built-in sink, plugs and other accessories to personalize your cooking block.

## ELECTRIC SOLID TOP

Flexible cooking thanks to the extended surface fitting any type and size of pots and pans.

## PASS-THROUGH OPEN BASES

H2 standard with large round edges for easy cleanability.

# EVO700&900 UNIQUE COOKING BLOCK

## STURDINESS

- The Unique top design of the EVO700&900 line guarantees the utmost reliability in withstanding pressure, force, or stress during peak hours in any kitchen environment.
- For an even better stability a reinforced stainless steel basement is available on request.
- Entirely made in Aisi 304 stainless steel, it has a high corrosion resistance level to most oxidizing acids and salt sprays.

## CLEANABILITY AND HYGIENE

- The pressed worktop with smooth rounded corners of Zanussi EVO700&900 appliances, together with the Unique top, make cleaning operations even simpler and assure the maximum hygiene.
- In addition, there is the possibility to choose also the H2 pass-through hygienic bases.

## CUSTOMIZATION

Make your own Unique cooking block. Choose among the wide selection of electric cooking functions available:

- Solid tops
- Induction tops
- Fry tops
- Grills
- Multifunctional cookers
- Fryers
