MANY BENEFITS AT A TOUCH

APP

Download the OnE Connected app to keep track of consumption data and get vital insights for improving business performance.

FIT ANY SETTING

Z-Active 100 Undercounter is the ideal partner for a variety of businesses, from cafés and pubs to restaurants.

TOUCH BUTTON OPERATION

A single press of a button is all it takes to operate Z-Active 100 Undercounter. The light will change color to indicate when the dishwasher is warming up, refilling detergent, or running a cycle, for intuitive communication with the user.

EASY FRONTAL ACCESS

Designed to enhance service accessibility, ensuring easy, quick and efficient maintenance.

CAFÉ & BAKERY

PUB

CASUAL DINING

SAVINGS

MYECO CYCLE

Eco-friendly build for optimal results and savings.

**MyEco cycle
consumes up to
40% less energy
at 260 Wh/rack
and 30% less
water with 2,1 L
consumption**

Save more than 3 thousand kWh/year, equivalent to nearly 145 thousand smartphones charged***

0,08Kg

Emission/Cycle**

Reduce CO₂ emissions by more than 7 thousand Kg/year, equivalent to more than 469 thousand smartphones charged***

**Calculation by energy consumption during product usage (36 cycles/day*300 days/year), considering a mix of energy sources as by calibrated EU database upd. values [kgCO₂,eq /KWh] - Source: IEA 2020 released in 2023 - The EIA Emissions Factors are specified for Electricity & Heat CO₂ and include CH₄ and N₂O factors, according to IEA for 2021 also. Comparison made between Z-Active 100 Undercounter with MyEco cycle and the previous Zanussi Professional Undercounter range with 3lt water consumption/cycle.

***Calculated by EPA (US Environmental Protection Agency)

WITH A SUSTAINABLE APPROACH

ERGONOMIC DESIGN

- User-friendly interface
- Better ergonomics for minimal physical strain
- Soft opening for easy loading
- Color-coded components to facilitate daily cleaning

EXTENDED PRODUCT LIFESTYLE

- Easy maintenance by service technicians
- Dedicated diagnostics and troubleshooting
- Spare parts in stock for at least 10 years
- Clear service manual and training

ECO-FRIENDLY PACKAGING

- 100% recyclable
- Made of 70% recycled cardboard and FSC* certified paper
- Water-based ink

*Forest Stewardship Council, the world's leading organization for sustainable forestry

ENGINEERED FOR HIGH PERFORMANCE

OPTIMAL WASHING AND OPERATING RESULTS

Z-Active 100 Undercounter gets dishes clean every time and boosts efficiency through enhanced loading capacity.

EFFICIENCY, DESIGN, AND CONTROL

1 Every corner covered

No matter how the items are placed, the integrated washing arm* ensures 360° reach.

*Patent Pending EP241 77693.9

2 Easy operation for peak performance

Innovative, color-coded filters reduce clogging and keep the water clear, cycle after cycle.

3 Full control

Reduce energy consumption and maintain high performance thanks to electronic controls.

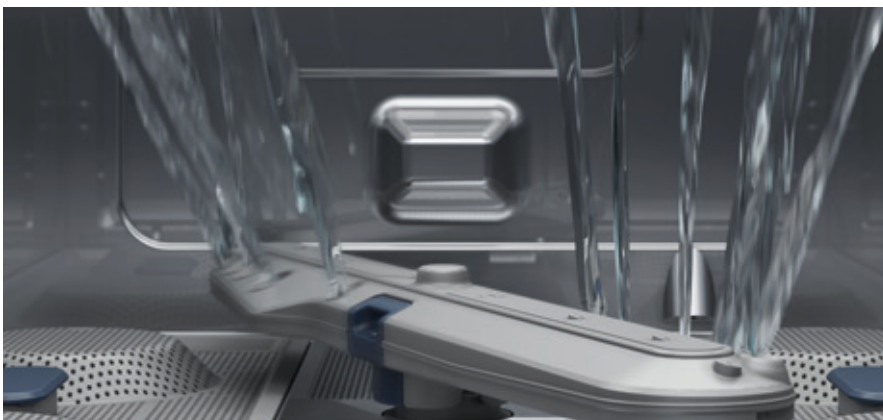

MORE DISHES WASHED PER HOUR

- **60%*** more productive, for lower labor costs.
- Up to **65**** baskets (1170 items/per hour).

*Z-Active 100 Undercounter with MyEco cycle compared with the previous Zanussi Professional Undercounter range with 3 lt water consumption/cycle.

**With Fast cycle, option available from the app.

AND EXTENDED CAPACITY

WASHES JUST ABOUT EVERYTHING

Z-Active 100 Undercounter can handle a wide variety of shapes and sizes.

EXTRA LOADING SPACE FOR HASSLE-FREE WASHING

- The market-top loading height of **~400 mm** makes it fast and efficient to load items.
- Easily fits oversized items like: GN 1/1, glasses up to h. 325 mm and pizza plates **Ø 360 mm**.

ONE CONNECTED APP

Unlock the potential of Z-Active 100 Undercounter

- **Connect:** with a single click, the app will pair the dishwasher to a phone via Bluetooth.
- **Control:** real-time data monitoring, parameter adjustments, alerts, recall your service info.
- **Customize:** choose from a variety of specialized programs, or create custom ones based on unique business characteristics.

Just scan the QR code on the front of the dishwasher to start.

GLASSWASHER

HIGH PERFORMANCE EVEN WHEN SPACE IS TIGHT

The Zanussi Professional Z-Active 100 Glasswasher S single skin model gets glassware clean without taking up precious space.

VERSATILE AND EFFICIENT

Z-Active 100 Glasswasher can be operated with minimal training thanks to its ergonomic design.

Four different **programs** suit a variety of needs, with a **color-coded** button to indicate program status at a glance.

Perfect results every time, with the powerful upper rinsing and lower integrated washing and rinsing arms.

Silent, smooth operation thanks to the double skin door and soft opening.

Reliable, durable full stainless steel body, wash tank and chamber. Detergent pump, drain pump and tank filters are available with the Plug&Play version.
