Safety comes first

Your health is important to us always!

Health Protection

Your health will be protected by the new **BLIND/SOLID SPLASH GUARD** in the models from 20 lt to 80 lt limit the flour dust emissions, in case of bakery/pastry preparations.

Hand Protection

The **BOWL DETECTION DEVICE**, in models from 5 lt to 80 lt, blocks the machine and does not permit it to start unless the bowl is properly positioned and set with the splash guard.

BPA Free

The absence of this chemical contribute to render the product safe for your health

Planetary mixers
