SpeedDelight PEP:
Fast has never tasted so good

High Speed Cooking

SpeeDelight PEP For small dynamic businesses

What makes the difference for a small business is a flexible solution that **keeps you mobile**: an easily transportable technology that responds quickly to growing, changing demand and matches your own versatility and drive. **Serve great tasting food on the quick**: diversify, expand, and watch your profits grow!

**Enjoy
mobility
in every
sense
of the word**

freedom of
movement,
dynamism,
adaptability of you
and your team

Record quality

Be amazed by our ultra-fast threeway cooking technology. Your snacks will be perfectly crispy outside and cooked just right inside in 1 minute

Stay in sync

Connect and perfectly integrate with your outlet management system

360° innovation

Green technology

Close the cover once you've removed your food and the stand-by notification appears. Speedelight PEP will go into **Energy Saving mode** and consume **60% less energy**.

Easy to service

Quick access to inside components **makes maintenance a snap** with an on-site visit from a technician. Safe and practical to use, safe and practical to maintain.

Streamlined and ergonomic

Quick to set up, no ventilation needed: put it anywhere on your countertop. Smooth edges, stable handles, self-regulating lid and **extra-large display**.

Money-saving

Save up to €500* over the course of a year! Speedelight PEP consumes half the electricity compared with other solutions using a microwave system.

*Contact Electrolux Professional for details.

24/7 smart connection

With Speedelight PEP's USB port and wifi capability, you can map performance, follow recipe trends, get personalized statistics, and **stay in sync 24/7 with your chain**. Any warnings or malfunctions are monitored, too! The interface is flexible and user-friendly, and works with any mobile device.

Customer care

With the **Speedelight PEP Advantage** package, one-size-fits-all service is a thing of the past and assistance is tailored to the customer's needs: a complete range of **accessories and consumables** that will keep your Speedelight PEP in top condition.

Branded signature features where PEP meets perfection

Triple Play

Peerless cooking performance
A combination of 3 cooking technologies: **contact plates, infrared radiation and microwaves**, for a **perfectly even temperature**, outside and in.

UNIQUE
in the industry

For your food:
crispy on the outside and perfectly cooked inside.

Has Your Back

Worry-free finish
The lid rises **automatically** when your snack is ready. No burning - it's foolproof!

For your food:
it won't burn, and you're safe to do something else!

Perfect Squeeze

An intelligent press
The upper plate settles with just **the right pressure at the touch of a button**.

For your food:
say goodbye to sandwiches that are overly flattened or not crispy enough.

Idea Matcher

Inspirational interface
Let your imagination run wild. Easy-to-use cooking options and quick-start buttons for a potentially **unlimited menu**.

For your food:
a potentially unlimited menu.

*Plug-in
and free
your mind!*
