

Serenity Cabinet

The ultimate way
to enjoyable
shopping

Commercial laundries

Fighting against the invisible enemies

In the recent months we have faced unprecedented challenges as a result of the global health situation. Today our priority is to provide you, your customers and your staff with the confidence that their well-being is safeguarded at all times.

Making sure that your customers will enjoy their shopping experience is vital for your business to stay alive and thrive.

Serenity Cabinet has been designed to equip you with the right solution to sanitize garments and operate your business in an efficient way.

- ▶ Garments sanitized in a smooth and efficient way
- ▶ Pleasant and satisfying shopping experience

Steam away all concerns in no time

- ▶ Up to 30 items sanitized per cycle
- ▶ 6 to 10 minutes cycles
- ▶ 130 - 140°C steam blasted on clothes and kept in closed loop for 80% of the cycle
- ▶ 70 to 85°C temperature maintained during the entire cycle
- ▶ Electric heated. 3 phase.
- ▶ Water inlet for steam boiler version
- ▶ Fully automatic process set from factory
- ▶ Programs for different textiles
- ▶ Minimal training required
- ▶ Shop window communication included

* log 6 reduction equals to 99,9999% viral infectivity reduction. The efficacy of reduction of SARS-CoV-2 viral infectivity on textiles in the Serenity Cabinet is confirmed by RISE (The Research Institute of Sweden) on the basis of Electrolux Professional laboratory data
