Save money Reduce food waste ecostore Refrigerated Cabinets

Refrigeration

Preserve your energy

The Electrolux Professional ecostore Refrigerated Cabinet is the perfect solution to save money and reduce food waste thanks to **Energy Efficiency Class B and Climatic Class 5**. Discover all the unique features of the ecostore Cabinets!

Energy efficiency class B makes a real difference to your energy bill

Food preservation reduce food waste.

Climate **class 5** means optimal preservation and high performance even in heavy duty 40 °C kitchens.

R290

Natural gases – a responsible alternative

R290 natural refrigerant gas (Hydrocarbon) is more energy efficient than other refrigerants and reduces energy consumption by approximately 12% - thus reducing the effect on global warming. R290 is a less corrosive refrigerant gas which extends the life of the compressor and reduces maintenance costs.

“CO₂ is a natural refrigerant, safe for the environment.

It is non-flammable, non-toxic and 20% more energy efficient** CO₂ is climate friendly, has no Ozone Depletion Potential and its Global Warming Potential is one.”

** comparison based on a cooling circuit using HFC R404A, among the best refrigerants used in refrigeration. Specific remote models available on request.

+50 liters

Unbeatable capacity

Thanks to their design, the Electrolux Professional ecostore Refrigerated Cabinets provide, on average, 50 liters more available space, compared to equivalent cabinets in the market.

Easy of use & non-stop operations

Connectivity connection to constantly track the HACCP data and serviceability through APP guarantees peace of mind and easy of use (icons more visible and bigger digits)

Performance & hygiene

hygiene and cleanability are guaranteed by the internal fully removable components and by new design of the control panel, no button means no more dirt accumulated

Do you know how much you can save by changing your old class G refrigerator with the Electrolux Professional ecostore class B?

-78% energy consumption = less energy costs*

*calculated on a 503lt full door refrigerated cabinet
