Ergonomics and user-friendliness in a compact format

The Hyvolution Barrier Washer

Inspired by Pullman

Incredibly safe and easy to use

Maximizing efficiency and broadening your options

Improving staff efficiency in your barrier laundry isn't easy – it requires highly efficient equipment that meets your capacity needs and is ergonomic and safe to use.

Ease of use is key! The Hyvolution Barrier Washer ticks all of these boxes and offers a generous 50 kg capacity in the most compact format in the market.

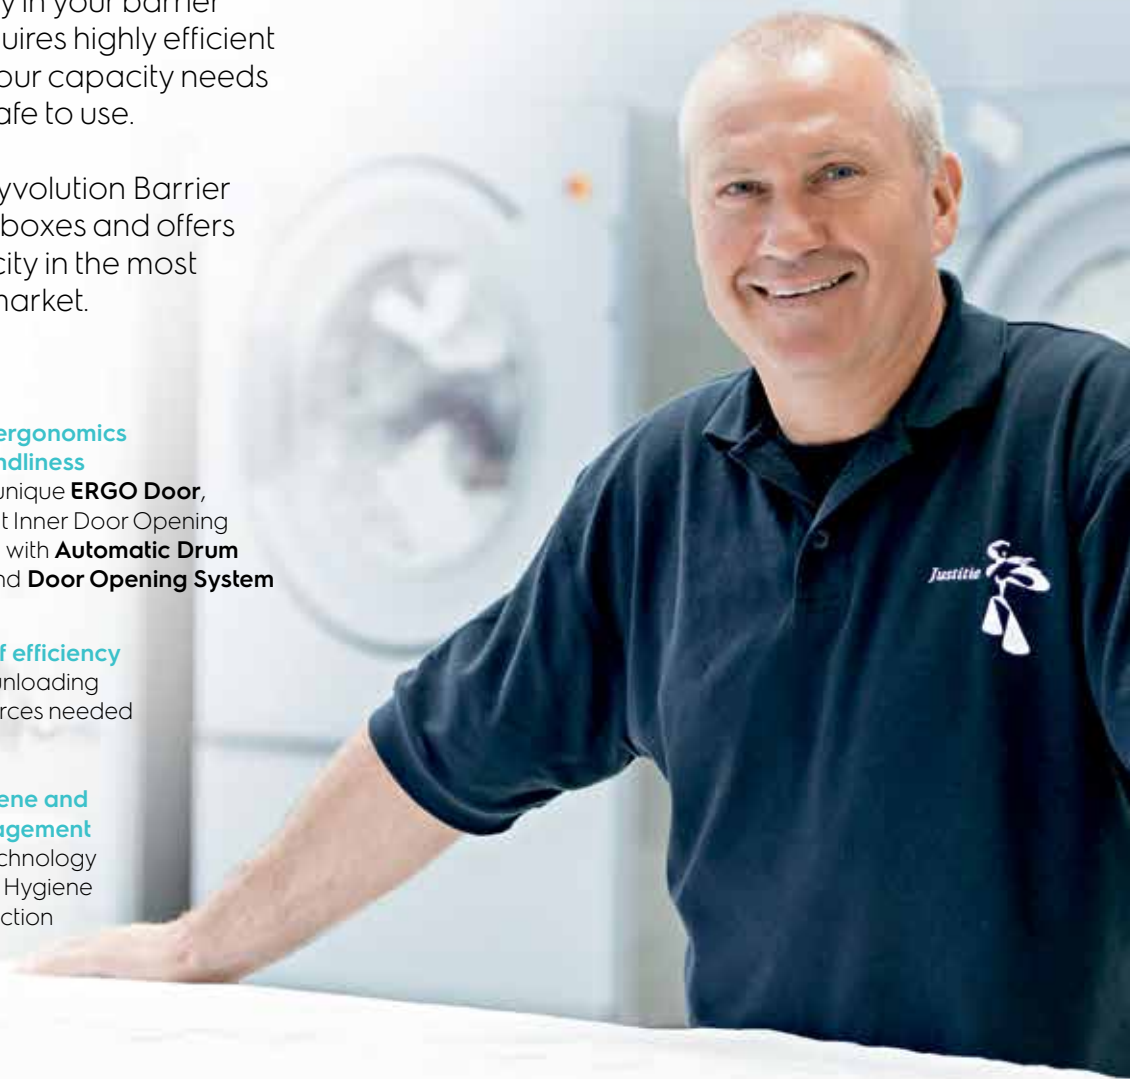

Outstanding ergonomics and user-friendliness
thanks to the unique **ERGO Door**, with the largest Inner Door Opening on the market, with **Automatic Drum Positioning** and **Door Opening System**

Time and staff efficiency
Easy loading/unloading with less resources needed

Ultimate hygiene and laundry management
with barrier technology like the unique Hygiene Watchdog function

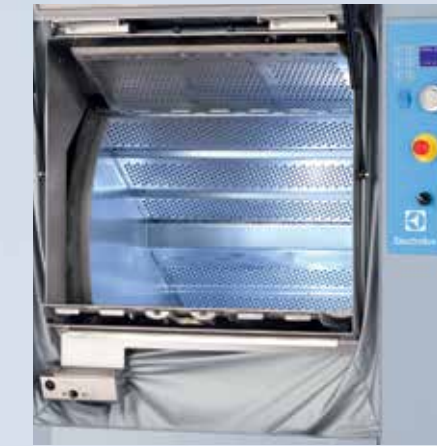

Extra-large, extra-ergonomic, extra-safe

Efficient loading and unloading with Hyvolution's unique **ERGO Door**

The Hyvolution revolution
The most compact 50 kg Barrier Washer on the market!

Ergonomics at its best

Save time and effort
Fast and easy loading/unloading thanks to the unique **ERGO Door**

- ▶ Automatic Inner Drum Positioning and Door Opening System
- ▶ Large, optimized door design – unique on the market

Safe and hygienic unloading
by bridging the drum door between the machine and the trolley

- ▶ Minimum risk of clean laundry falling on the floor

Ultimate hygiene and peace of mind
with barrier intelligence

- ▶ The unique Hygiene Watchdog function ensures that any wash program is performed in full before it allows unloading on the clean side

High capacity in a compact format

- ▶ Convenient 50 kg drum capacity
- ▶ Compact machine design
- ▶ Easy to install

Cost savings and increased linen quality
with Efficient Dosing System

- ▶ Calculates the precise amount of detergent according to the selected wash program and linen weight

Total cost and process control
thanks to Certus Management™ Information System

- ▶ Innovative software from Electrolux
- ▶ Enables process validation of the whole laundry

Maximum serviceability
reducing downtime and costs

- ▶ Designed for fast and safe service
- ▶ Large and easy access to vital functions

It's the small details that make the difference

Stainless Steel Trolley
for easy laundry handling

- ▶ L800 x W600 x H650 mm
- ▶ 220 litres
- ▶ Available in different sizes

Working Tables
with top in melamine

- ▶ Available in 3 lengths: L1,000/1,500/2,000 x W700 x H850 mm

Water Soluble Bags
for safe isolation, transportation and disinfection

- ▶ Available in 3 sizes: 660 x 840, 710 x 900 and 910 x 990 mm
