The green spa for your garments

Concerned with providing you with the highest possible quality, your professional cleaner has chosen lagoon® for the safety and care of your garments.

With lagoon® you can smell, see and feel the difference.

lagoon® the first wet-cleaning system approved by The Woolmark Company

The Company reserves the right to change specifications without notice. Pictures are not contractual.

Your natural choice for precious textiles

Enjoy wearing
your garments
longer by
keeping them
fresh and clean
with lagoon®

A revolution in professional cleaning

lagoon® requires just one hour to perfectly **clean in water** even the most delicate garments. lagoon® is the first water-based professional cleaning system to obtain the **endorsement of The Woolmark Company** as the perfect solution for the care of delicate garments.

Protect the environment

With lagoon®, you help protect the environment. **No solvents are used** in the process and all detergents are biodegradable for chemical free drainage. lagoon® cleans your garments whilst keeping the **environment safe**.

lagoon®

Respect for the fibers

When cleaning your garments with lagoon® you can always be sure of a **premium result**. lagoon® can **safely clean all types of garments and fibers** including the most delicate silks, cashmeres and pure new wools (Woolmark labelled). Special synthetic fibers such as Lycra and Gore-tex, as well as leather, can be safely cleaned with lagoon®.

Fresh scent, soft to the touch and bright colors

Garments cleaned with lagoon® have a fresh scent and the colors are brighter. Your clothes will feel **soft and rejuvenated every time**.
