myPROzip range

▶ **Superb capacity and performance:**

- Process all laundry in one go thanks to generous 8 kg capacity
- Best wash results and garment care due to unique professional drum with 4.5 mm holes for efficient evacuation of debris (standard 2.2 mm)
- Time and cost savings in drying with moisture extraction at 1,400 rpm (washer)

▶ **Outstanding flexibility and garment care:**

- Meet every need with dedicated programs
- Prevent over-drying of garments and save time and energy with professional Residual Moisture Control technology (dryer)
- Flexible installation thanks to smart drain pump configuration (washer)
- Greater peace of mind: optional direct connection from condensed water tank to drain for instant discharge (dryer)

▶ **Triple the lifetime!:**

- Extra long lifetime due to more durable machine construction with professional components
- Less vibration thanks to highly effective shock absorbance system and optimally balanced components and panelling (washer)
- Less vibration and noise: below 70 dB based on specially designed transmission system, condenser and panelling (dryer)
- No chemical corrosion: stainless steel front and top
