

Marking Machines

Product description

Our laundry marking machines are specifically designed to provide fast, reliable, and precise labelling solutions for laundered items. Built with durable, high-quality materials, these machines ensure long-lasting performance. Perfect for marking clothing, linens, or uniforms, they deliver clear, permanent or temporary identification to streamline sorting and tracking processes.

MMLABEL

Temporary marking machine and without the use of solvents, clothing is easily labelled once, with the label being readily removable after washing or cleaning. The ink ribbons used are both laundry and chemical cleaning resistant

Operating the machine is easy. In one job, the label is printed, cut off and attached on clothes in a few seconds. The tape used is available in 11 colors which facilitates sorting by day and route. The imprint can be up to 12 letters and/or numbers.

PNC for the tape (length: 6 meters): 988918944

MMLABEL		PNC 988914950	
Power supply	Volt		230
Frequency	Hz		50-60
Temperature range	°C		50-210
Power consumption maximum	Watt		175
Noise level	Decibel		< 70
Timer	Sec-		1-99
Sealing platen	mm		35 x 15
Air pressure range	Bar		3.5-5
Dimensions, W x D x H	mm		389 x 556 x 432
Weight	kg		19
Plug type			Schuko

MMHEATS

Manual heat seal press, used for the application of identification tags, emblems and textiles transfers.

The machine has a powerful heating element. The top platen warms up in seconds and is ready for use, even in sleep mode. The digital control buttons allow you to set the time, temperature and energy-saving mode. After completing a press cycle, the top will open automatically. This helps in accelerating the job. It is possible to switch platens easily from medium to a smaller size and vice versa without using any tools.

MMHEATS		PNC 988918930
Power supply	Volt	230
Operating temperature	°C	204
Temperature range	°C	20-230
Power consumption maximum	Watt	600
Noise level	Decibel	< 70
Press time range		1-60
Sealing platen	mm	125 x 95
Dimensions Open, WxDxH	mm	550 x 550 x 350
Dimensions Closed, WxDxH	mm	240 x 550 x 350
Weight	kg	21
Plug type		Schuko
