

Trolleys

Product description

Laundry trolleys are essential tools designed to streamline the handling and transportation of linens, towels, and other textiles in various settings such as hospitals, hotels, multi-housing and commercial laundry facilities. These trolleys are built to enhance efficiency, hygiene, and overall workflow in laundry management.

Spring bottom trolleys

Our spring bottom trolleys are designed for effortless loading and unloading, featuring a spring-loaded platform that adjusts to maintain an optimal working height.

This ergonomic design reduces strain and increases efficiency, making them ideal for warehouses, laundry facilities, or industrial use. Built with high-quality, durable materials, these trolleys can handle heavy loads while ensuring smooth operation.

The adjustable platform and robust construction make them perfect for repetitive tasks, providing a reliable and ergonomic solution for all your material handling needs.

TRSPBOT22

Spring bottom trolley with 2 fixed and 2 swiveling wheels positioned 2-2.

PNC	Dimensions, W x D x H, mm	Weight, kg	Capacity, l
988910608	1080 x 450 x 800	32	32-223

TRSPBOT121

Spring bottom trolley with 2 fixed and 2 swiveling wheels positioned 1-2-1.

PNC	Dimensions, W x D x H, mm	Weight, kg	Capacity, l
988910008	1080 x 630 x 800	35	47-336
988910002	1470 x 730 x 800	49	95-545

Ribbed trolleys

Our ribbed trolleys for transporting linen are the perfect blend of durability, style, and functionality, designed to handle heavy loads with ease.

Featuring ribbed walls for enhanced grip and reduced slippage, they ensure secure transport of goods. Made from high-quality anodized aluminum, which has a great strength-to-weight ratio and allows the trolley to be stiff while ergonomic.

Ideal for care facilities, hotels, laundries, workshops and warehouses they come in various sizes and weight capacities, making them a reliable and versatile solution for all your transport needs.

TRRIBS121

Ribbed trolley with 2 fixed and 2 swiveling wheels positioned 1-2-1.

PNC	Dimensions, W x D x H, mm	Weight, kg	Capacity, l
988701706	1030 x 630 x 770	18	366
988910015	1330 x 730 x 805	25	555

TRRIBS22

Ribbed trolley with 2 fixed and 2 swiveling wheels positioned 2-2.

PNC	Dimensions, W x D x H, mm	Weight, kg	Capacity, l
988910004	720 x 580 x 710	13	220
988910006	970 x 570 x 750	14	313

Net trolleys

Our net trolleys are designed for secure and efficient transport, featuring strong netted sides that keep items safely contained while allowing full visibility of the contents.

Crafted from high-quality materials, these trolleys are durable yet lightweight. Ideal for use in multi-housing, retail, or laundrettes, their open design ensures quick access while maintaining stability during transit.

TRNETSH

Net trolley, fully welded design with removable basket.

PNC	Dimensions, W x D x H, mm	Weight, kg
988910124	660 x 525 x 1100	13

TRNET240

Net trolley with bumper 240L.

PNC	Dimensions, W x D x H, mm	Weight, kg
988910220	800 x 600 x 900	11.7

TRNET80

Net trolley with bumper and push handle 80L.

PNC	Dimensions, W x D x H, mm	Weight, kg
988910107	660 x 525 x 880	9.25

Polyethelene trolleys

Our polyethelene trolleys offer a lightweight yet durable solution for a wide range of transport needs.

Made from high-quality, impact-resistant plastic, these trolleys are built to withstand heavy use while remaining easy to maneuver. Their non-corrosive and easy-to-clean surface make them ideal for use in hygienic environments such as hospitals, kitchens, or warehouses. Equipped with sturdy wheels and ergonomic handles, these trolleys provide smooth and reliable operation.

TRPLPROD

Polyethelene trolley with 4 swiveling wheels positioned 2-2.

PNC	Dimensions, W x D x H, mm	Weight, kg	Capacity, l
988702030	620 x 460 x 800	6	150
988701807	970 x 670 x 780	10	340
