

Washer extractors

for Facility Management

WH6-7CV

WH6-27CV

 WH6-6
 Base with removable lint collector

Features and benefits

- Select between Clarus Vibe or Compass Pro (WH6-6 & Super Spin are only available with Compass Pro)
- Special programs for washing mop heads, cloths, workwear etc.
- Easy programming - for precise residual moisture content of different fabrics (polyester, microfibre, cotton etc.)
- Selectable extraction time - for precise residual moisture content of different fabrics (polyester, microfibre, cotton etc.)
- Prepared for liquid detergent supply
- Electrically heated machines have special heating elements for longer lifetime
- The inner drum has lid(s) for easier cleaning and maintenance (not available on WH6-6)
- Electrical drain valve - for fast drainage after wash
- With Clarus Vibe, water, energy and detergent savings are made regardless of whether the mops are wet or dry*
- Hygiene Watchdog available inside Clarus Vibe

Options and Accessories

- Steam heating - (not available on WH6-6)
- Different bases - for a convenient work height
- Stainless steel lint collectors - easier maintenance, prevents lint to clog-up in the drain piping
- Electrolux Professional detergent pumps - select between; Jetsave, Dosave, ED-Venturi or EDS

* One-time calibration is needed
