

Bubbler Classic 1x18 lt, plastic, R134a

**Ref: CCCRGK
(CCCRGK)**

Cold beverages dispenser, Classic Bubbler 1x18 liters bowl, with plastic steel panels

General Features

BIG 1 is an appealing cold drink dispenser, ideal for high daily consumption contexts, thanks to its large tank of 18 litres capacity.

This equipment refreshes and dispenses cold coffees, teas, fresh juices or cocktails.

Transparent bowls give this equipment a highly attractive appeal.

The unique evaporator and the high efficiency pump cool faster and more efficiently for a quick start-up. The superior engineering ensures a perfect temperature from the first to the last drop of dispensed product.

Two-piece stainless steel dripless pouring valves are sanitary and easy to use and clean. Suitable for cups up to 20 cm height.

Drinks stirring by a magnetic submerged impeller. Agitators are provided with each unit, including the accessory for the spectacular fountain effect.

Side panels and drip tray available in plastic.

OPTIONALS AVAILABLE

- VALVE CAP: Improves sealing of valve when using pulpy product
- LOW FOAM IMPELLERS: Ideal for products that create foam, such as teas and lemonades.
