

Bubbler Classic 3x18 lt, plastic, R134a

**Ref: CCCRJV
(CCCRJV)**

Cold beverages dispenser, Classic Bubbler 3x18 liters bowls, with plastic panels

General Features

BIG 3 is an appealing cold drink dispenser, ideal for high daily consumption contexts, thanks to its n. 3 large tanks of 18 litres capacity.

This equipment refreshes and dispenses cold coffees, teas, fresh juices or cocktails.

Transparent bowls give this equipment a highly attractive appeal.

The unique evaporator and the high efficiency pump cool faster and more efficiently for a quick start-up. The superior engineering ensures a perfect temperature from the first to the last drop of dispensed product.

Two-piece stainless steel dripless pouring valves are sanitary and easy to use and clean. Suitable for cups up to 20 cm height.

Drinks stirring by a magnetic submerged impeller. Agitators are provided with each unit, including the accessory for the spectacular fountain effect.

Side panels and drip tray available in plastic.

OPTIONALS AVAILABLE

- VALVE CAP: Improves sealing of valve when using pulpy product
- LOW FOAM IMPELLERS: Ideal for products that create foam, such as teas and lemonades.
