Short Form Specification

Item No. _____

Handheld mixer with stainless steel tube. To be used directly in stew pots. Motor unit and tube can be easily removed without tools to facilitate cleaning. Incorporates a convenient grip for less fatigue. Variable speed: up to 15000 rpm.

Main Features

- Ideal to process small quantities (less than 35 lt).
- Very easy to use, convenient and ergonomic grip reduces fatigue while working.
- Delivered with: - Choice of stainless steel tube: 200 mm or 250 mm, depending on model - Cord and plug supplied as standard
- Its light weight ensures an optimum comfort for the user.
- Blade protection lip designed to offer a more efficient use and reduce work times.
- Easy to dismantle, the motor unit and the tube can be disassembled without the use of tools.
- Safety feature requires both hands to start the mixer (no volt release system).
- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.

Construction

- Tube, knife and bell in stainless steel for an easier and safer cleaning process.
- Compact design, created to be used directly in stew pots even during cooking and ideal for small quantities.
- Variable speed from 2500 to 15000 rpm to make preparation tasks fast and easy.
- Motor protected from overload by a double insulation.
- Power: 250 watts.
- IPX3 protected.
- Tube and knife are dishwasher-safe.

Optional Accessories

- Whisk tool for speedy mixer PNC 650057
 (variable speed models only)
- Stainless steel tube for Speedy PNC 650187
 mixer, 20 cm
- Stainless steel tube for Speedy PNC 650188
 mixer, 25 cm
- Wall support for speedy mixer PNC 653090
- Tube for emulsions for speedy PNC 653098
 mixer
