600392 (DBP4535)

Portable mixer with  
stainless steel tube 353  
mm, 450W

### Short Form Specification

Item No. \_\_\_\_\_

Handheld mixer with stainless steel tube and space saving storing wall support. To be used directly in stew pots, even during cooking. Bayonet system ensures easy removal of accessories. Parts in contact with food - tube, blade, shaft - completely dismountable without tools for easy cleaning. Bell knife design ensures antisplash system and minimum handling during working operations. Flat motor base with ergonomic handle for a convenient grip. Electronic speed variator with speed regulation regardless of the load. Electronic speed adjustment by pulse on + and - buttons. Maximum speed: 9000 rpm. Safety feature requires both hands to start the machine. Design for heavy duty usage: double fan system to cool down the motor. Visible and water proof (IP55) control panel to control speed levels and overload warning light. Shaft locking device avoids release during operation. Whisk accessory available as an option.

### Main Features

- Safety feature requires both hands to start the mixer (no volt release system).
- Parts in contact with food - tube, blade, shaft - can be completely dismounted without tools for easy cleaning.
- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.
- Anti-splash bell knife design.
- Bayonet system makes fast and simple to exchange tools.
- Overheating warning red indicator.
- Tube, knife and whisks are dishwasher safe.
- Productivity suitable for 50 to 300 meals per service.
- Delivered with:
  - flat base motor
  - stainless steel tube
  - space saving storing wall support
- Designed to be used directly in stew pots up to 80 lt.

### Construction

- Maximum speed 9000 rpm.
- Motor has an air cooling system and is protected against overheating (in case of long intensive work).
- Smart speed control to ensure the right power according to the work load.
- Power: 450 watts.
- Water protected motor unit (controls are IP55, IP34 throughout machine).
