Tomato slicer, complete, 6 mm thick

Short Form Specification

Item No. _____

Unit suitable to cut tomatoes into perfect slices (6 mm thick) keeping the original shape. It consists on a removable holder, cutting block and blades. The tomato is placed on the holder. The lever is quickly lowered without hesitation. The sliced tomato returns with the trolley and can be picked up still in its original shape. The holder can be removed and the entire machine can be cleaned under running water. Powerful suction cups ensure perfect stability on the worktop.
Supplied with 6mm cutting block and tomato guide.

Main Features

- Slices are cut evenly and cleanly without crushing thus retaining the original shape after cutting.
- Table stand with 4 suction pads for better stability.
- Easy dismantling without any tools.
- Easy cleaning under running water.
- Dimensions (H×L×W): 240 mm × 427 mm × 145 mm.
- In normal use, around 20 tomatoes can be sliced in a minute

Included Accessories

- 1 of Tomato guide for 6 mm PNC 653099 tomato slicer
- 1 of Cutting block for 6 mm PNC 653100 tomato slicer

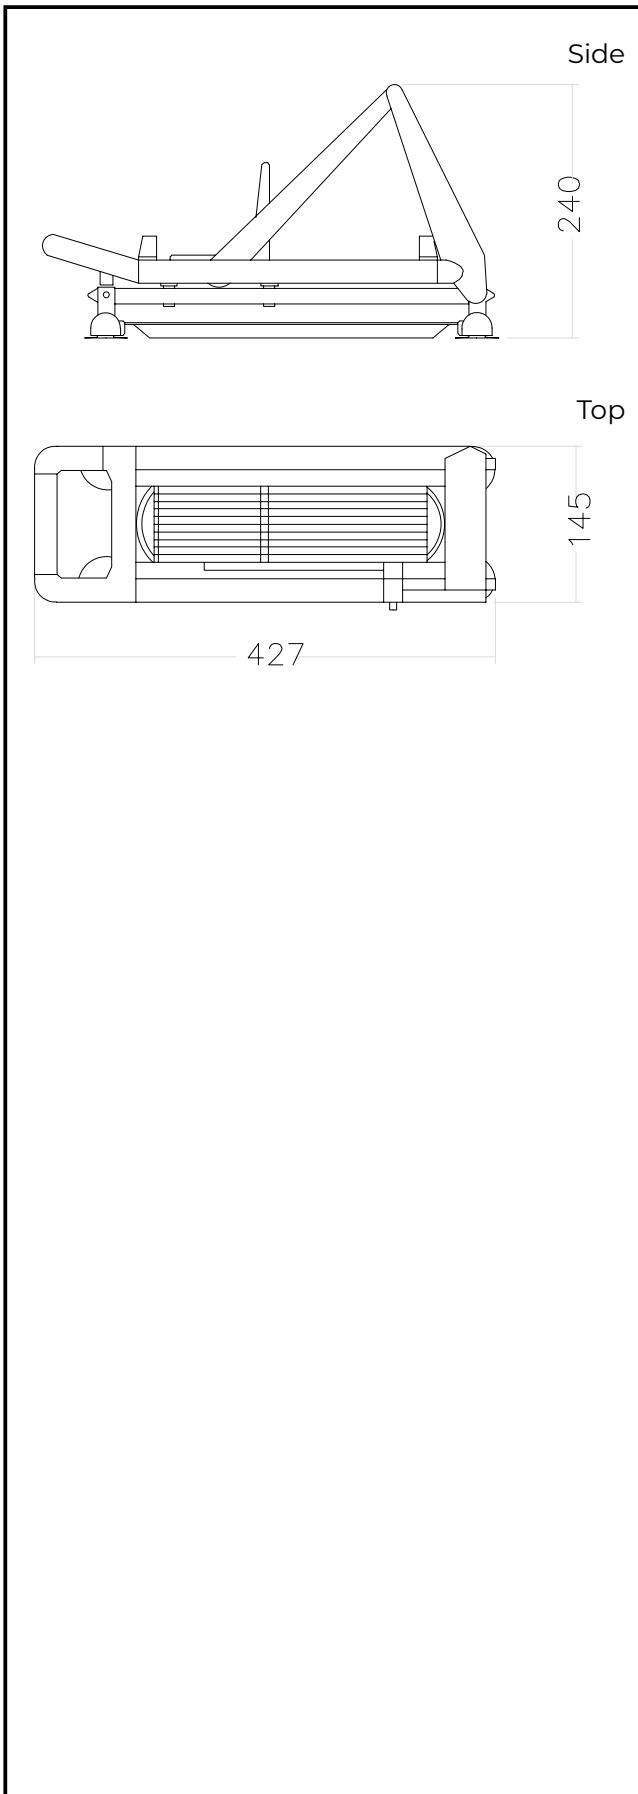

Optional Accessories
