Main Features

- Can dispense up to 5 products among soft ice cream, frozen yogurt, chilled coffee cream, sorbet or slush.
- Can be used in specialised ice cream shops to dispense products specifically conceived for particular customer categories, like celiacs or people who are lactose intolerant. Producing ice-cream with this equipment prevents any contamination, as the bowls
- Ideal for bars, restaurants, hotels, cafeterias and catering companies for the production of delicious desserts and chilled specialties.
- The ITANK™ Technology prevents ice accumulation on the outer side of the bowl, reducing condensation and increasing the cooling power of the machine.
- Menu is available in Italian and English, but other languages can be programmed as well.
- Customizable touch screen display.
- Easy to use thanks to the adjustable push button control panel: when pressing it the rotation speeds raises and the product is pushed out easily.
