Main Features

- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.
- Safety feature requires both hands to start the mixer (no volt release system).
- Ideal to process small quantities (less than 35 lt).
- Very easy to use, convenient and ergonomic grip reduces fatigue while working.
- Delivered with:
 - Choice of stainless steel tube: 200 mm or 250 mm, depending on model
 - Cord and plug supplied as standard
- Its light weight ensures an optimum comfort for the user.
- Blade protection lip designed to offer a more efficient use and reduce work times.
- Easy to dismantle, the motor unit and the tube can be disassembled without the use of tools.

Construction

- Tube and knife are dishwasher-safe.
- Tube, knife and bell in stainless steel for an easier and safer cleaning process.
- Compact design, created to be used directly in stew pots even during cooking and ideal for small quantities.
- Variable speed from 2500 to 15000 rpm to make preparation tasks fast and easy.
- Motor protected from overload by a double insulation.
- Power: 250 watts.
- IPX3 protected.

Optional Accessories

- Whisk tool for speedy mixer PNC 650057 ☐
