603945 (HSG3RPRSE3) SpeeDelight with flexible top plate, removable ribbed teflon plate

### **Main Features**

- It combines 3 cooking technologies: contact, infrared radiation and microwaves to provide perfectly cooked food, heated to the core.
- Self adjusting ribbed upper plate to heat food adapting to its thickness.
- The Energy Saving Mode automatically switches to stand-by after an amount of time settled by the operator (from 1 to 60 minutes).
- Delivered with USB port and wi-fi connection to optimize workflows allowing local and remote inteaction (temperatures, countdowns, warnings).
- Electronic control with digital 4.3"LED display with adjustable brightness.
- 8 programs selectable on the display.
   The 8 programs can be adjusted by the user. The programmable parameters are:
- -upper plate temperature
- -bottom plate temperature
- -total duration of each cycle
- -duration and distribution of microwaves within each cycle.
- Countdown display and buzzer with adjustable volume at the end of the cycle.
- Automatic mechanical lid holding and opening system controlled.
- Ergonomic handle for easy movement of the lid.
- Non-stick pressed tray to be used during all cooking cycles for maximum cleanability, meeting food contact requirements.
- Compliant with Regulation (EC) No 1935/2004 and its amendments, Regulation (EC) No 2023/2006 and its amendments.

## Construction

- Aluminum ribbed top contact plate (215 x 215 mm) treated with a special non-stick coating.
- 2 temperature probes for an independent control of the top and bottom plate temperature.
- Smooth 4 mm thick quartz glass bottom cooking surface (250 x 250 mm).
- Independent temperature setting of the top and bottom plates from 50 to 250 °C.
- Automatic lifting of the lid at the end of the cooking cycle via mechanical spring.
- Lid covers, handle and side panels in high-grade reinforced composite material.
- 800W heating element on the top plate.
- 800W electrical armored heating element on the bottom plate.
- 2 x 1050W magnetrons for microwave.
- Front air inlet and back outlet for efficient cooling ventilation allows easy air filters removal and side by side installation.
- IPX4 water resistance certification.

# User Interface & Data Management

 Connectivity ready for real time access to connected appliances from remote and data monitoring (requires optional accessory – contact the Company for more details).

# Plug In SpeeDelight with flexible top plate, ribbed, removable teflon plate

# **Included Accessories**

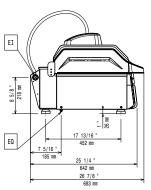

• 1 of Glass saver for SpeeDelight	PNC 653527	
• 1 of Cleaning brush for SpeeDelight	PNC 653623	
• 1 of Spatula for SpeeDelight	PNC 653625	
• 1 of 4 rubber feet - Height = 26 mm for SpeeDelight	PNC 653792	
<ul> <li>1 of SpeeDelight spacer stop kit for rear ventilation</li> </ul>	PNC 653800	
• 1 of Pressed non-stick tray	PNC 653802	
<ul> <li>1 of Brush with nylon bristles</li> </ul>	PNC 653803
