285561 (EXFRPBIBWF)

9lt electric Fryer with 1 well, 1 basket and warning led

285563 (EXFREBIBWF)

9lt electric Fryer with 1 well, 1 basket and warning led

Short Form Specification

Item No.

Electric freestanding fryer with deep-drawn well ideal for kitchens needing a versatile, compact, efficient but high productivity unit capable of cooking numerous portions time after time. The well layout, heating elements layout and the "eco" mode, require a minimum amount of oil and guarantee long oil life. Made in stainless steel. 4-position tilting elements to ease cleaning and use.

Main Features

- All major compartments located in front of unit for ease of maintenance.
- IP24 protected.
- Overheat protection thermostat as standard on all units.
- Thermostatic regulation of oil temperature up to a maximum of 185 °C.
- Oil drains through a tap into a drainage container positioned under the well.
- Supplied as standard with 1 basket and 1 right side door for cupboard.
- Deep drawn well.
- Internal high efficiency tilting heating elements for high productivity and ease of cleaning of internal well.
- Integrated s/s oil filter.
- Control knobs positioned behind the door.
- Unit delivered with four 50 mm legs in stainless steel as standard.
- 4-lights display to indicate equipment under voltage, heaters on in "eco" mode, heaters on in "fry" mode, the unit is in overheating protection mode.

Construction

- Interior of well with rounded corners for ease of cleaning.
- One piece pressed 1.5 mm work top in Stainless steel.
- Exterior panels in Stainless steel with Scotch Brite finish to meet the highest hygiene standards.
- Unit is 60 cm deep to give a compact working area and reduced footprint.
- The unit is designed for freestanding installation having external frame closed on sides, back and bottom.
- A bracket for wall mounting installation is provided as standard.
- Folding lid with storage in the door.

Sustainability

- Eco function switches the unit in stand-by mode to save energy. Fast temperature recovery to restart frying in less than one minute.
- This model is compliant with Swiss Energy Efficiency Ordinance (730.02).
