371406 (E7AANTBGMII)

6-Burner (5,5 kW each) gas Range on electric Oven (6 kW) and Cupboard, Q Mark

### **Short Form Specification**

#### Item No.

To be installed on stainless steel feet with height adjustment up to 50 mm. High efficiency flower flame burners with flame regulator and protected pilot light. Flame failure device as standard on burners to protect against accidental extinguishing. Stainless steel oven chamber with 3 levels of runners to accomodate 2/1 GN shelves (2 steam pans). Ribbed oven base plate. Exterior panels of unit in stainless steel with Scotch Brite finish. Pan supports in heavy duty cast iron. One piece pressed work top in 1.5 mm thick stainless steel. Right-angled side edges to allow flush-fitting junction between units. Q Mark model delivered with nozzles for G30-50 mbar.

#### **Main Features**

- Unit to have stainless steel feet with height adjustment up to 50 mm.
- The six 5.5 kW high efficiency flower flame burners allow the flame to adapt to different size pans.
- Cupboard compartment for storage of pots, pans, sheet pans etc.
- Gas appliance supplied for use with natural or LPG gas, conversion jets supplied as standard.
- Large sized pan support in cast iron (stainless steel as option) with long center fins to allow the use of the largest down to the smallest pans.
- Pan supports in cast iron are washable in a dishwasher.
- Burners to feature flame regulator.
- Flame failure device on each burner protects against gas leakage when accidental extinguishing of the flame occurs.
- Protected pilot light.
- Base compartment consists of an electric standard oven positioned beneath the base plate. Stainless steel oven chamber to have 3 levels of runners to accomodate 2/1GN shelves (2 steam pans) and ribbed enamelled steel base plate.
- Ribbed oven base plate.
- Oven thermostat adjustable from 140 °C to 300 °C.
- Double skinned door with pressed internal panel for heat insulation.
- IPx4 water protection.

### Construction

- All exterior panels in Stainless Steel with Scotch Brite finishing.
- One piece pressed 1.5 mm work top in Stainless steel.
- Model has right-angled side edges to allow flush fitting joints between units, eliminating gaps and possible dirt traps.
- Q Mark model delivered with nozzles for G30-50 mbar.

#### **Included Accessories**

1 of GN2/1 chrome grid for static oven
1 of Door for open base
PNC 164250
PNC 206350

 1 of Door for open base cupboard

1 140 200550

### **Optional Accessories**

GN2/1 chrome grid for static PNC 164250 □ oven

Junction sealing kit PNC 206086 □
