560070 (FIRI18DGA3PH)

Soft ice cream dispenser with 13 l tank capacity and 1,95 l cylinder volume, 1 flavour, electrical control and touch screen panel, free standing, hourly production: 310 cones (75 gr), gravity version, R452A

Short Form Specification

Item No. _____

Soft ice cream frozen yogurt dispenser with 13 l tank capacity and 1,95 l cylinder volume, 1 flavour, hourly production: 310 cones (75 gr). Digital control and touch screen panel. It is a floor-standing appliance, with gravity system. The tank agitator and the stainless steel drip tray are included as standard. Air-cooled version: requires no water connections that mean less operating costs and it is easy to install. R452a as refrigerant gas.

Main Features

- Floor-standing appliance, single-flavor equipment with gravity system.
- It delivers soft ice cream and frozen yogurt.
- Equipped with a tank of 13 liters capacity and dispenses 310 cones/h (75gr cones).
- The machine is equipped with tank agitator and stainless steel drip tray.
- Digital control with touch screen.
- The gravity machine is extremely easy to use, clean and maintain. Ice cream has a strong and very intense flavor.

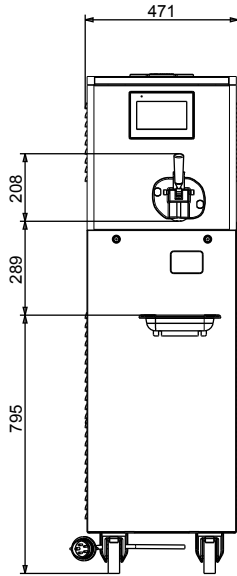

Construction

- Air-cooled version requires no water connections that means low operating costs and easy installation.
