

Coffee System Aura Traditional espresso machine, 2 Maestro groups

ITEM # _____

MODEL # _____

NAME # _____

SIS # _____

AIA # _____

602522 (AURA2)

Traditional espresso machine, 2 Maestro groups, 10,1 liter boiler, 2 independent control boxes with 4 programmable dosing program

Short Form Specification

Item No. _____

The professional semi-automatic AURA line owns all the technical features of a high-end traditional espresso machine, offering the perfect harmony of aesthetics and performance. With its modern design of stainless steel and chrome, the AURA displays an assertive silhouette underlined with LED lighting of the tray grill and around the electronic control boxes with touchscreen interface for an intuitive programming. AURA is dedicated to users familiar with volumetric commands that address high performance and consistency in the extraction process. The MAESTRO thermo-regulated brew groups are fitted with the EASYLOCK system that help locking and sealing the portafilter with minimal effort. The AURA line offers a set of advanced technologies that warrant an outstanding coffee extraction quality and a strong hot water/steam power.

Main Features

- Programmable water and steam.
- Automatic cleaning cycle.
- The professional semi-automatic AURA line owns all the technical features of a high-end traditional espresso machine, offering the perfect harmony of aesthetics and performance.
- Modern design of stainless steel and chrome, the AURA displays an assertive silhouette underlined with LED lighting of the tray grill and around the electronic control boxes with touchscreen interface for an intuitive programming.
- Manual Steamglide lever.
- AURA is dedicated to users familiar with volumetric commands that address high performance and consistency in the extraction process.
