Aura Traditional espresso machine, 3 Maestro groups with Dosamat®

ITEM # _____

MODEL # _____

NAME # _____

SIS # _____

AIA # _____

602525 (AURA3DO)

Traditional espresso machine, 3 Maestro groups, 15,6 liter boiler, 3 independent control boxes with 4 programmable dosing program with Dosamat® self recognition of portafilter

Short Form Specification

Item No.

The professional semi-automatic AURA line owns all the technical features of a high-end traditional espresso machine, offering the perfect harmony of aesthetics and performance. With its modern design of stainless steel and chrome, the AURA displays an assertive silhouette underlined with LED lighting of the tray grill and around the electronic control boxes with touchscreen interface for an intuitive programming. AURA is dedicated to users familiar with volumetric commands that address high performance and consistency in the extraction process. The MAESTRO thermo-regulated brew groups are fitted with the EASYLOCK system that help locking and sealing the portafilter with minimal effort. The AURA line offers a set of advanced technologies that warrant an outstanding coffee extraction quality and a strong hot water/steam power.

Main Features

- Programmable water and steam.
- Automatic cleaning cycle.
- The professional semi-automatic AURA line owns all the technical features of a high-end traditional espresso machine, offering the perfect harmony of aesthetics and performance.
- Modern design of stainless steel and chrome, the AURA displays an assertive silhouette underlined with LED lighting of the tray grill and around the electronic control boxes with touchscreen interface for an intuitive programming.
