Full-automatic machine, 1 group, 270x40 ml espresso cup/hr, 6,5 liter steam/coffee boiler, 1x1,7 kg and 1x1,2 kg coffee hopper

### Short Form Specification

#### Item No.

The super automatic coffee machine Tango® STP Solo is the ideal equipment for the businesses as bars, coffee shops chains, and the hospitality industry for self-service breakfast, as well as company cafeteria. With its unrivaled coffee extraction quality, the Tango® STP with the new milk delivery system, offers the perfect equipment to ease and succeed in the preparation of all milk based specialty coffee drinks, with heated or cold milk or foamed milk with a smooth texture.

The additional milk refrigerator Tango® STP Fridge, to be ordered separately, has a full compressor system which consistently maintains cold milk temperatures, with a 4L removable container. Cleaning and maintaining the milk circuit is automatically done thanks to its efficient rinsing and cleaning program.

Distributing, heating and foaming fresh milk to create delicious hot or cold drinks with milk or foamed milk: that's the challenge met by the super automatic Tango® STP Solo with efficiency and performance.
