Half module electric Grill

## **Short Form Specification**

### Item No.

To be installed on open base installations, bridging supports or cantilever systems. Heating via incoloy armoured heating elements placed below the cooking plate. Cooking surface grids in enameled cast iron, easily removable for cleaning. Exterior panels in stainless steel with Scotch Brite finish. One piece pressed work top in 1.5 mm thick stainless steel. Right-angled side edges to allow flush-fitting junction between units.

## Main Features

- Unit to be mounted on open base cupboards, bridging supports or cantilever systems.
- Heating via incoloy armoured heating elements below the cooking plate.
- Stainless steel high splash guards on the rear and sides of cooking surface. Splash guards can be easily removed for cleaning and are dishwasher-safe.
- Cast iron grids can be adjusted on two levels.
- Heating element can be tilted frontally for easy cleaning.
- The low temperature of the external panels allow to work in safety.
- Energy regulation through a control knob.
- Cooking grids made in highly resistant enameled cast iron for easy cleaning.
- Suitable for countertop installation.

## Construction

- All exterior panels in Stainless Steel with Scotch Brite finishing.
- One piece pressed 1.5 mm work top in Stainless steel.
- Model has right-angled side edges to allow flush fitting joints between units, eliminating gaps and possible dirt traps.
- IPx4 water protection.
