Work Top 900mm

Short Form Specification

Item No.

The 40mm high worktop in 304 AISI stainless steel, incorporates an 18mm under panel made of sound deadening material. Front and rear longitudinal stainless steel c-channel reinforcement. Special shaped front and rear profiles, without burrs, to avoid water leakage. Fully welded and shapely polished corners. Work tops can be mounted on brackets, legs or bases in order to obtain a work height of 900mm.
