Large gas PowerGrill Top -
town gas

Short Form Specification

Item No. _____

To be used with Town gas. High efficiency 11 kW stainless steel burners with self stabilizing flame. Cooking surface grids in enameled cast iron, easily removable for cleaning. Stainless steel AISI 441 deflective shields below radiants avoid burner clogging (Patent Pending). Includes drip tray for the collection of grease and fat. Side and rear panels of unit in AISI 304 stainless steel with Scotch Brite finish. Extra strength work top in heavy duty 2 mm AISI 304 stainless steel. Right-angled side edges to allow flush-fitting junction between units.

Main Features

- Stainless steel AISI441 burners with self stabilizing flame.
- Burners are protected by AISI441 stainless steel deflector reaching approx. 700°C; top and side radiant plates distribute evenly the heating power while protecting the deflector from direct contact with the dripping fat, thus reducing flare ups (PATENT US9591947B2 and related family).
- Cooking grid reaching temperatures up to 350°C.
- Full-depth grease collection drawer, with hole to indicate when full, to collect residual cooking grease and fat. Can be filled-up with water for vapor-emission effect.
- Stainless-steel removable splash guards on the rear and sides
- The special design of the control knob system guarantees against water infiltration.
- All components (deflector, radiant plates, cooking grids, splash guards) can be dismantled for cleaning purposes.
- Cooking grids made in highly resistant enameled cast iron for easy cleaning.
- Suitable for countertop installation.

Construction

- Unit is 930 mm deep to give a larger working surface area.
- All exterior panels in Stainless Steel with Scotch Brite finishing.
- AISI 304 stainless steel worktop, 2mm thick.
- Model has right-angled side edges to allow flush fitting joints between units, eliminating gaps and possible dirt traps.
- All the functional components are accessible via the front of the appliance.
- Side and rear panel in AISI 304 stainless steel.
