391088 (E9FREH2GF0)

15+15-It electric Fryer with 2 "V" shaped wells (external heating elements), 2 baskets and lids included

# **Short Form Specification**

## Item No.

High efficiency infrared heating elements (20kW) attached to the outside of the wells. Deep drawn V-Shaped wells. Oil drains through a tap into a container positioned under the wells. Height adjustable feet in stainless steel. Exterior panels in stainless steel. Worktop in 20/10, stainless steel. Right-angled side edges eliminate gaps and possible dirt traps between units.

#### Main Features

- Deep drawn V-Shaped wells.
- Interior of wells with seamlessly laser-welded corners for ease of cleaning.
- External infrared heating elements for ease of cleaning of internal well.
- Thermostatic regulation of oil temperature up to a maximum of 185 °C.
- Overheat protection thermostat as standard on all units.
- Oil drains through a tap into a drainage container positioned under the well.
- All major compartments located in front of unit for ease of maintenance.
- The special design of the control knob system guarantees against water infiltration.
- Unit delivered with four 50 mm legs in stainless steel as standard (all round Stainless steel kick plates as option).
- Supplied as standard with 2 baskets and 1 right and left side doors for cupboard.
- Optional portable oil quality monitoring tool (code 9B8081) for efficient oil management.

## Construction

- Unit is 930 mm deep to give a larger working surface area.
- All exterior panels in Stainless Steel with Scotch Brite finishing.
- Model has right-angled side edges to allow flush fitting joints between units, eliminating gaps and possible dirt traps.
- IPX5 water resistance certification.

#### Sustainability

 This model is compliant with Swiss Energy Efficiency Ordinance (730.02).

#### **Included Accessories**

• 2 of Door for open base PNC 206350 cupboard

• 2 of Full size basket for 14 and PNC 921691 15lt free standing fryers

## **Optional Accessories**

- Junction sealing kit
   PNC 206086 □
- Kit 4 wheels 2 swivelling with PNC 206135 
   brake it is mandatory to install Base support and wheels
- Flanged feet kit
   PNC 206136 □
- Frontal kicking strip for concrete installation, 800mm
