132954 (NHWSB40) Free-standing Hand Wash Basin with waste Cabinet, knee-operated, 1 bowl, Mixer spout and drain hole

Short Form Specification

Item No.

Made from 304 AISI stainless steel. Integral radiused rear upstand, knee-operated. Waste cabinet with hinged door and handle incorporates a support frame for waste bags. Bowl mm340x365x155h with mixer spout and drain hole.

Main Features

- Sturdiness, stability and reliability of table accurately tested.
- Easy to clean thanks to the rounded bowl and corners.
- Washbasin can be equipped with a wall panel plus paper and soap dispensers as optional extras.

Construction

- Wide range of taps are available to suit every need.
- 100 mm upstand with 10 mm radioused corner and 13 mm deep, designed to be used against a wall.
- Mixer spout, ½" in diameter and drain hole supplied as standard.
- Constructed entirely in 18/10 stainless steel.
- Sound deadened pressed bowl with rounded corners and all-round lip to prevent overspill.
- Rear upstand 30 mm in height and 1.5 mm thick.
- Syphon included in the delivery.
- Equipped with a front cabinet to store waste.
