Sliding Glass Lid Novelty
Freezer 59.5" Long

Short Form Specification

Item No. _____

Flat lid novelty freezer with tempered glass sliding lids and unobtrusive frame around the glass lids to ensure maximum visibility. Internal and external structure in white painted steel. Fan cooled condenser for best preservation performance even in heavy-duty conditions. Basket, vertical basket divider, NSF thermometer and lock included as standard. Defrost water drain with plug for easy cleaning. R290 refrigerant gas for the lowest environmental impact (GWP=3). The temperature range is -10° to 10°F. ETL safety and sanitation listed for US and Canada. Equipped with NEMA 5-15P plug.

Main Features

- Temperature range of -10 to +10 F°
- Fan cooled condenser to cope with heavy duty conditions
- Hydrocarbon refrigerant gas R290 for the lowest environmental impact (GWP=3) - CFC and HCFC free.
- Included as standard 1 NSF® certified temperature gauge and 1 basket (including one vertical divider) durable and reliable for safety in food storage
- Removable rubber bumper guards
- Bottom drain with plug for easy interior cleaning and defrost water discharge
- Mechanical control panel with adjustable temperature
- Low energy consumption

Construction

- Tempered glass sliding lids
- Exterior and Interior finish in white painted Steel
- Locking lids and key protect the contents of the unit
- Mounted on heavy-duty casters, two locking to keep unit in place but allows position adjusting.

Optional Accessories

- - NOT TRANSLATED - PNC 882001
