HOT CHOCOLATE DISPENSER LOLA 6 230/50 STD BLACK

General Features

LOLA 6 is an excellent, compact unit for heating and dispensing hot chocolate, milk, tea and any other hot beverage or soup.

It is a light, compact unit and suitable for all venues, especially where countertop space is limited.

The eye-catching transparent bowl, 6-litres capacity, attracts impulse purchases.

The bowl can be easily removed, so that unused product can be stored in the fridge overnight to reduce waste.

Lola comes with a vertical tap, this avoids blocking and the unit is extremely easy to clean and to disassemble.

Lola has a mixing system which prevents products from settling at the bottom of the bowl, and that ensures the perfect product consistency; the heating plate assures proper temperature distribution.

LOLA 6 is a compact, plug-and-play, hot chocolate dispenser, ideal for cafeterias, cafes, catering and accommodation facilities, ice-cream shops, dessert bars and other venues, thanks to its small footprint.
