

CAPRI PLUS 114 STD MECHANICAL WITH MIXER BLACK AND GRAVITY SYSTEM

**Ref: 561841
(CAPRI114)**

CAPRI PLUS 114 STD MECHANICAL WITH MIXER BLACK AND GRAVITY SYSTEM

General Features

Capri Plus114 is a single-flavour countertop unit, with gravity feeding system, and delivers Soft Serve Ice Cream and Frozen Yogurt.

This equipment has a gravity feeding system, and it is equipped with 8-litres tank capacity and 1,95-litres freezing cylinder volume.

With the GRAVITY feeding system, the equipment is easier to operate, clean and maintain.

This equipment can dispense up to 240 cones (75gr)/h

the mechanical control board permit to select 2 ice cream consistency, the night mode and the washing function.

The equipment is air-cooled: no water connections required, this means fewer operating costs and easy to install.

The tank agitator and the stainless steel drip tray are available as optional accessories.

CAPRI PLUS 114 STD MECHANICAL WITH MIXER BLACK AND GRAVITY SYSTEM

Specifications

- The machine is equipped with tank agitator and stainless steel drip tray.

Construction

- Electromechanical control.
- Air-cooled version requires no water connections that means low operating costs and easy installation.
