

# SORBY EVO 3 BOWLS WITH MECHANICAL CONTROL

**Ref: 562789**  
**(SORBYDREAM3)**

SLUSH MACHINE SORBY EVO 3 STD 230/50 WHITE - GAS R290

## General Features

Compact slush machine featuring an elegant design, reliable and long-lasting.

SORBY EVO is perfect for the HoReCa operators who want to offer sherbets, cold creams, and slushies, but have little space available.

SORBY EVO 3 has 3x10-litre bowls capacity.

SORBY EVO is reliable and easy to use, all the components which are in contact with the product can be removed without using tools, making the machine easy to clean.

The tanks, which work independently, are managed through the practical mechanical keyboard.

Its small size enables it to be positioned easily without taking up much bench space and allows to saving valuable space.
