Cold beverage dispenser - Classic Pro 4x9 lt, with new easy-off release bowl and high efficiency cooling system

General Features

CLASSIC PRO 4x9 is a cold drink premix dispenser, compact size, with 4x9 liters capacity tanks.

The machine cools and dispenses ready-made drinks to be poured inside the bowl such as fresh juices, teas, cocktails, flavored water etc..

The unique evaporator and the high efficiency system cool faster and more efficiently for a quick start-up.

The superior engineering ensures a perfect temperature from the first to the last drop of dispensed product.

Two-piece dripless pouring valves are easy to use and clean. Suitable for cups up to 9 inch height (22,9 cm).

New easy-off release bowl system, that makes dismantle easier and reduces cleaning time.

Drinks stirring by a magnetic submerged impeller. Agitators are provided with each unit.

Panels are in stainless steel.

OPTIONALS AVAILABLE:

- VALVE CAP: improves sealing of valve when using pulpy product
- FOUNTAIN SPRAY KIT: ideal to create a spectacular effect
