Cold beverage dispenser - Classic Pro 2x18 lt, with new easy-off release bowl and high efficiency cooling system

General Features

CLASSIC PRO 2x18 is an appealing cold drink dispenser, ideal for high daily consumption contexts, thanks to its two large tanks of 18 liters capacity each.

This equipment refreshes and dispenses ready-made drinks to be poured inside the bowl such as fresh juices, teas, cold coffees, cocktails, flavored water etc.

Transparent bowls give this equipment a highly attractive appeal.

The unique evaporator and the high efficiency pump cool faster and more efficiently for a quick start-up. The superior engineering ensures a perfect temperature from the first to the last drop of dispensed product.

Two-piece dripless pouring valves are easy to use and clean. Suitable for cups up to 8 inch height (22,9 cm).

Drinks stirring by a magnetic submerged impeller. Agitators are provided with each unit,

Panels and drip tray available in stainless steel.

OPTIONALS AVAILABLE

- VALVE CAP: Improves sealing of valve when using pulpy product
- FOUNTAIN SPRAY KIT: ideal to create a spectacular effect

Bubbler Classic Pro 2x18 lt, R290
