

**600872 (T15E)**

15 kg stainless steel Vegetable Peeler with flat control panel. NO Plate

Main Features

- Magnetic detectors will stop the machine from operating when the lid and/or door are opened.
- Suitable for 80-300 meals per service.
- Peels are reduced to small pieces to facilitate drainage process.
- Pulse function to control the unloading operation.
- Removable water inlet, clipped to the cover, designed to serve as a spray to clean the machine.
- Timer with countdown display.
- Transparent lid in damage-resistant plastic material allows visibility during peeling cycle.

Construction

- Complete stainless steel construction.
- IP55 waterproof touch button control panel.
- Transparent BPA free cover incorporates a magnetic safety system which stops the machine if lid is not properly closed.
