**Note:** per la corretta identificazione dei componenti, attenersi esclusivamente alle pagine indicate e alla lettera di riferimento.

**Note:** for the correct identification of the components, follow the indicated pages and the reference letter.

**Note:** Cell and evaporator probes have been replaced with a new model, the main differences are the color of cable and type of sensor, this new probe replace the previous model without add new updates at digital control.Ser:N°8500001
